Writ Petition No. 930 (SS) of 2001

Hon'ble P.C. Verma, J.

The petitioner was transferred vide order dated 23.03.2001. The petitioner's grievance is that despite transfer order, the petitioner is not being relieved. The petitioner is posted in Border Police in District Udham Singh Nagar. May be with the exigency of service, required the none relieving of the petitioner by the S.S.P Udham Singh Nagar.

The petitioner has already made representation to the higher authorities.

Considering the facts and circumstances of the case, I do not find it is a fit case which may warrant interference by this Court.

The writ petition is dismissed.

However it is provided that the authorities shall consider the representation of the petitioner sympathetically with in one month.

(P.C. Verma, J.)
